Care to Share Program

How does the Care to Share Program work?

When it comes to promoting the benefits of our office, nothing beats word-of-mouth referrals. Those casual conversations with your friends, co-workers and neighbors can have a tremendous impact on their decisions regarding their next dental health care provider.

This program allows you to refer your friends, co-workers and loved ones, with the opportunity for you to benefit from it.

How do you benefit?

Refer your family and friend and **YOU** will receive your choice of a **\$25 VISA gift card** or a **\$50 office credit!**

How do your friends benefit?

Your newly referred friend will receive a **FREE Philips Sonicare** toothbrush after completion of initial exam, cleaning and any necessary treatment.

Fill out the form below and your referred friend will receive an email with all the details of their new referral!
